## The Really Important

"Concentration is the secret of strength," said Emerson. A man of only average ability, with concentration, can accomplish more than a man of unusual talents who lacks that power. When a man is extravagant he permits his mind to be distracted from the really important things in life. Open an account with this strong bank and add to it regularly.

### Women and the Home Finances

Home finances are an important item to every family, yet Housewives, as a rule, do not admire the job of keeping books.

Every woman who has tried it has been delighted with the "check" system. This system shows to her alone—on the check stub—for what money has been paid. Once each month she will get her check RECEIPTS all in order at the Merchants National Bank.

Truly the check way gives the housewife a complete set of books as is necessary and with the bother left out. Madam, we shall be glad to explain further any time you may call in.
